## **Arts and Crafts**

- Print the Red-tailed hawk coloring sheet for your students
- Create a diorama of NYC and Pale Male's home:
  - print the pages on cardstock and color
  - cut out the bird watchers, pigeons, rats, cars and hawks
  - attach two hawks to a craft stick
  - glue small sticks to the nest on the building
  - enjoy creative play with your students
  - ask your students to create their own stories and adventures with their paper Pale Male and mate
